LUA MORENA

Present on the beaches of Brazil for 18 years, the brand Lua Morena creates art in swimwear, inspired by the curves of Brazilian women.

Found in the wardrobes of the most stylish women due to their perfect patternmaking, sophisticated style and high quality of their apparel. Their new collection is inspired by the cheerful Brazilian look and the colourful culture of Sicily. Visit www.luamorena.com.br

TATSUAKI

Award winning Canadian designer, Dan Liu, draws his inspirations for TATSUAKI designs from his Chinese and Japanese heritage. With emphasis on beauty and practicality, his début knit wear collection was so unique that numerous Hollywood celebrities frequented his first Yorkville store in Toronto. The TATSUAKI women's line has since evolved into "Funky

Couture", favoured by young executives with chic yet elegant apparel that can be worn from day to night. As Designer-in-Chief, Dan is best known for his tailoring that accentuates the female form with a romantic flare. Visit www.tatsuaki.com

USTRENDY

ZYNNI CASHMERE

Zynni Cashmere, a truly fine luxury cashmere label is the brainchild of talented and innovative designer, Qing Hua, a London College of Fashion graduate. Combining opulent luxury with architectural simplicity, Zynni Cashmere speaks of natural elegance, freedom and harmony. The 2015 Fall/Winter Collection is a life-style pyramid from super fine cashmere designer basics, to high living accessories, with a special series of naturally coloured cashmere loungewear. Visit www.zynnicashmere.com

DAMA TALYA

Dama Talya is a plus size women's designer clothing line. They want to give plus size clothing a whole new meaning, resulting in clothing that makes a woman feel fashionable, confident, and refined. Their mission is to offer curvy women "options" when selecting their fashion. To learn more visit www.damatalya.com

I.KOLLECTION

I.Kollection was founded by Mother of three Ihuaku Patricia Nweke out of a long standing passion for fashion. She started making jewellery from her study in 2006 and formed I.Kollection in 2009. I.Kollection now designs and makes couture jewellery in precious and semi-precious

stones as recently launched a line of clothing debuted at London Fashion Week in September. The foundational ethos of the brand is quality first in terms of the basic materials such as fabrics and jewellery stones, exquisite design and personal attention to individual needs. I.Kollection has a faithful customer base and operates on social media as well as through its website www.i-kollection.com

INNOCENTE MESSY

The Daughter of a seamstress, Messy's love for fashion started at a very young age. Now at just 23 years old, she is a graduate from London College of Fashion and has interned with Ada Zanditon and Alice Horlick (AEVHA London). She is launching her first collection debut, AW16 on 2nd June in London. In August she will showcase her collection during African Fashion Week London. The collection is inspired by 60's style combined with textiles that illustrate African hair braids. Visit www.innocentemessy.com
